

Biz Quiz (Deebeja Chhetri -8617871281, Kiran Dalal - 9749520131)

Do you want to showcase your business brain? Do you think that you can survive the heat?
The Insvaganza 2022

Business quiz - "Biz Quiz" is a platform to showcase your knowledge in the business sector.
Be it creatively conceived

metaphors in business or the infamous trivia behind the logos of prominent conglomerates,
if you think you know it all

and much more, come and show it in this event

- Each team can have a maximum of two members and maximum of two teams from each college
- Total of 6 teams will participate in the Business Quiz. If there are more than 6 teams in the event, a preliminary

knockout round will be conducted to select the final 6 teams to play the Quiz.

- There are 6 topics and 6 levels a player or team can choose from ranging from 50 to 400 points.
- The difficulty level of questions increases with increase in level i.e., a question of level 4 will be more difficult

than that of level 3 and so on.

- In case a player or team doesn't know the answer, they can skip the question to the next player or take their

chances in attempting the question.

- However, negative marking of 20 points is applied, when a player or team chooses a wrong answer.
- The team with the greatest number of points wins.
