1. Carpediem

“The Future is Present”

It is an event where the participants will make their mock resume based on given company requirements. There will be two rounds in the event. In the first round, the participants will be allotted a time of one hour to make the resume. The participants clearing the resume round will have to appear for an interview round. The best two candidates will be awarded the final interview round.

Rules and regulations:

- Maximum of three participants per college
- One passport-size photo per participant is compulsory for the resume (digital copy)
- No templates or macros will be allowed. The resume has to be made on a fresh blank document. No copy-pasting from other docs will be allowed.
- Participants are not allowed to carry cell phones during the event.
- Participants should carry their own laptops and pen drives (uploading of resumes).
- No internet facility will be provided during the event.
- The profile will be provided at the start of the event.
- Participants can be disqualified if any participant is found using the internet during the preparation of the event, arguing with the faculty members, wearing an informal dress, not maintaining order and discipline, and using indecent language.
