---

1. InCode:

InCode is a Code Chef Powered Coding competition with an online platform to evaluate participants in real-time. It is going to be a head-racking overwhelming coding experience for all those who love to code.

Rules & Regulations

- Three participants from each college.

- The evaluation will be done entirely using the Code Chef platform and its rules.

- No use of electronic devices (cell phone, pen drives, smartwatch, etc.)

- Languages allowed are C, Python, and Java. No other languages are allowed.

- All participants must report 30 minutes prior to the beginning of the event.

- Time limit is one and half-hour.

- Any use of unfair means or indecent behavior will result in direct disqualification.

- There is only one round.

- The decision taken by our judges will be treated as fair and final.
