### **2. Switch (Business Game)**

#### **“Grass is never greener on the other side”**

- It is an informal debate competition where each team will pick a topic that is allocated and speak both for and against the topic.
- The participant has to change their stance as soon as the word ‘switch’ is heard.
- In the Second Stage a new topic will be given; those qualifying for the second round will form two sides, one supporting and the other going against the topic.
- The best two teams will be picked by the judge.

(If the no. of participating teams exceeds more than four, the team scoring the highest points will qualify for the second round. Only four teams are to be qualified for the second round.)

#### **Rules and regulations:**

- Number of participants is two forming one team. (From each institution)
- Duration = 4 minutes per speaker for the first round.
- Topics to be spoken on will be provided to the speaker on the day of the competition.
- Participants will be given a time of 5 mins to prepare.
- Participants must not exceed the time limit that will be given.
- All participants have to speak either in the first or second round in lieu of which they will be disqualified.
- No form of indecency will be entertained and it may lead to immediate disqualification.
- Judges’ decisions will be final and binding on each and every participant.
- Both participants must register individually.
