Dare to compete

A good manager is someone who makes the success and the happiness of their team a top priority. The challenge of being

a manager is to get the best out of everybody ,not just the few who are close to oneself. The objective behind Top Cat is

just this. Future managers are invited to come and participate in this event and test their leadership and business mettle .

Rules and Regulation :

- This is an individual event and not a team event
- Only a maximum of 4 candidates will be allowed to participate from each college for this event.
- Participants should have their own stationary items (pen, pencil, file folder, pads, etc..).
- The event will be of 3 rounds and each of these rounds will be an elimination round.
- Round 1 will consist of case studies and crisis situations which will be given on the spot and the candidate is

supposed to think on their feet and consider solutions to fire-fight the issue.

- Round 2 will deal with Team Management and Leadership and will test the manager's ability to keep the team

motivated and united. Volunteers for building one's team will be provided to the candidates.

- Round 3 is the 'Ring of Fire' round where questions will be shot to the candidate in a rapid fire manner and the

answers will be evaluated by the Judges.

- Judge's decision will be considered final and binding.
